Career Services for Executive MBA Students

Executive MBA students at Chicago Booth are supported by one of the top-rated Career Services departments of any business school in the world. Chicago Booth's Career Services is dedicated to fostering student and alumni career development and creating employment opportunities by building relationships with employers.

Services Available to ALL Students Remotely

There are a wide range of career resources available to Executive MBA students from wherever they are in the world. Career resources can be found at: http://career.ChicagoBooth.edu.

Job Postings
Career Services is actively involved in employer outreach and development. Thousands of jobs from firms are posted annually. In addition to full-time postings with companies which recruit from Chicago Booth, Career Services posts search firm listings for more senior positions. Executive MBA students can elect to have both full-time postings and search firm postings emailed to them. In addition to using job postings for a job search, Executive MBA students can use the job postings database to recruit candidates. It is a great resource for finding great talent from Booth: http://career.chicagobooth.edu/execmba/jobresources/tools/index.aspx.

Chicago Booth Select Search
Executive MBA students are eligible to participate in Chicago Booth Select Search, Booth’s online resume database service. Select Search is made available to direct-hire and search firm recruiters seeking experienced MBA talent from Booth. Currently there are more than 800 recruiters utilizing Select Search for their hiring needs.

Interview Stream
Interview Stream, a virtual mock interviewing program, can be accessed from the Career Services home page.

Chicago Booth Community Directory
MBA students can utilize the community directory at Booth to research and contact fellow students and alumni in various functions and industries: http://directory.ChicagoBooth.edu/alumni. To change contact information in the community directory, use your Email4Life username and password, log onto the Community Directory and click on "Edit My Info" to make the necessary changes.

CareerCast and Booth MediaSite
CareerCast, an audio podcast series on career development topics, is available for listening at your convenience: http://career.ChicagoBooth.edu/careercast. On the Booth MediaSite, watch speakers and panels on a variety of industries and functions: http://media.chicagobooth.edu/.

Research Access
Access to company and industry information for a job search is available through a variety of databases and tools at: http://career.chicagobooth.edu/execmba/jobsearch/research/index.aspx.

Career Coaching
Career Services can offer individual coaching to Executive MBA students for career planning and exploration, job search advising, interviewing, and negotiation. Available in Chicago, London, and Singapore in person, by phone, or e-mail from anywhere:
